

WINNER-TT 5T Configuration Table

Electrical System	Electronic Control System	96V Fully Intelligent Controller Brand: Enpower				
	Battery	96V 200Ah Lithium Battery (3-year warranty)				
	Motor	11.5KW Three-Phase Asynchronous AC Motor With regenerative braking function				
	Charger	Aviation Aluminum Intelligent On-board Charger Auto power-off when fully charged				
	Charging Time	Charging Time: 8-10 hours (at 80% discharge rate)				
Technical Specifications	Charging Input Voltage	220V				
	Length × Width × Height (mm)	3700*1450*2100			Braking Distance	≤5.5m
	Cargo Compartment Dimensions (mm)	2200*1450*350			Rated Passenger Capacity	2
	Payload	5000kg			Maximum Travel Speed	28km/h
	Front/Rear Track	1235/1235mm			Maximum Gradeability	15%
	Wheelbase	1940mm			Minimum Turning Radius	5.5m
	Minimum Ground Clearance	150mm			Driving Range	80-100
Body System	Seats	Premium faux leather seats (1+1 configuration, leather + high-resilience PU, beige seats)				
	Body	Carbon steel frame (Q235) / Sheet metal body / ABS engineering plastic molded dashboard				
	Instrument Panel	LCD instrument display (showing voltage, current, speed, mileage, lighting, forward/reverse signals, etc.)				
	Rearview Mirror	Wide-view adjustable manual exterior rearview mirrors				
	Lighting & Signals	High-brightness LED headlights, turn signals, combined taillights, brake lights, electric horn, and reverse buzzer				
	Audio System	Premium car audio with MP3 player, professional speakers, and USB port				
	Switches	Ignition switch, combined light/wiper switch, forward/reverse switch				
	Doors	Removable carbon steel doors (Q235) with built-in tempered glass sliding windows				
	Frame	Welded carbon steel frame (Q235) / Anti-rust paint treatment				
	Steering Wheel	Polyurethane foam steering wheel				
Chassis System	Powertrain System	Continuously Variable Transmission (CVT) system				
	Steering System	Worm-and-sector steering (automatic clearance compensation) + EPS power steering				
	Front Axle & Suspension	Integrated load-bearing front axle				
	Rear Axle & Suspension	Integrated rear axle (18.12:1) with aviation aluminum differential assembly + high-strength leaf springs + tubular hydraulic shock absorbers				
	Braking System	Drum hydraulic brakes, dual-circuit braking, parking brake system				
	Wheels	650-10 industrial tires				

	Air conditioning	Roof-mounted cooling and heating air conditioning system in cabin
	Warranty	1-year vehicle warranty + lifetime technical support

Winner Electric Power Energy Company
